THE PROCESS

The journey to choosing a wedding supplier can be confusing and we make the process as easy and stress free as possible. We look forward to chatting with you about what we can create for your day.

CONSULTATION

We offer one complimentary consultation and then provide you with an itemised quote. You also have the option of filling out the "get a quote" form on our website.

BOOKING INFO

To make sure we provide the best service we do limit bookings and can book out 12 months in advance for popular dates. If you'd like to secure your date prior to a quote, you can pay a booking fee (\$200) which then comes off your final balance. Alternatively, upon receiving a quote, we require a 20% booking fee of the total quote value. You may make changes to your quote in the lead up to your wedding but no later than one month out from the wedding date.

PLEASE NOTE

Due to the high volume of requests we receive, please put all questions and changes to us via email. To make things easy please put all questions/changes in a word document and either email or discuss in your final appointment no sooner than two months prior to your wedding.

ON THE DAY

If you choose to pick up your wedding florals, these will be ready by the agreed time.

If we deliver and setup on the day, we will send you a delivery form and checklist that I ask you to read and return no later than one week prior. All balances of payment are due one month before your date. Non-payment of the balance will be an automatic cancellation of your order with the deposit forfeited.

If you have any questions, please feel free to get in touch on +61 2 5353 1205 or pickmeflowersandgifts@gmail.com.
